

Dear Friend:

As you may have heard, we have made the difficult decision to postpone the 2020–2021 McCain Performance Series until at least January 2021 due to the ongoing pandemic and the university's announcement of reduced capacity and social distancing guidelines on campus.

The past several months and immediate future of severely reduced ticket, rental and sponsorship income will be potentially catastrophic to the auditorium's financial ability to maintain operations. To help us sustain our readiness to fully open once again when it is safe to do so, please consider donating to the Friends of McCain fund.

Last season, the Friends of McCain collectively contributed nearly \$210,000. This allowed us to host over 6,300 school children from across the state of Kansas for free student matinees, offer several workshops to K-State students, and provide an astounding array of artists in the McCain Performance Series, all achieved before the pandemic forced us to take an intermission. Our goal this season is to raise \$300,000 so the curtain will rise again!

We ask that you consider helping save our ability to enhance our community by becoming a Friend of McCain. Until we can begin programming blockbuster shows at McCain, we are working on virtual events and small-scale shows with substantially reduced capacity and COVID-19 protocols in place (only if university and health officials determine it is safe to do so). Friends of McCain will receive priority notification and first access to tickets based upon the amount given.

Whatever level you choose, your tax-deductible contribution will help McCain Auditorium to once again be a place of creativity, innovation, education and inspiration! We need your help more than ever! Please consider filling out the below form and mailing to the address below. Or, you can give online at <https://give.evertrue.com/ksu/mccain-auditorium>.

Sincerely,

Todd Holmberg, Director
